National Association for Business Resources Names the Best and Brightest Companies to Work For in the Nation For 2018

December 17, 2018 — Companies that excel at employee relations, use innovation to motivate employees, implement creative compensation programs and more will be recognized by National Association for Business Resources (NABR) at the National Best and Brightest Summit – Illuminate 2019 symposium and awards gala on September 15-17, at the Renaissance Chicago Downtown Hotel, located at 1 W Wacker Drive, in Chicago, IL.

The 2018 national winning companies were assessed by an independent research firm which reviewed a number of key measures relative to other nationally recognized winners. The Best and Brightest Companies to Work for Winners are not ranked. (See the following list of honorees.)

The Best and Brightest Program honored 512 national winning organizations from across the country out of 2,400 nominations. In addition to honoring all national winners, the top 101 National winning companies were also announced. These are the highest scoring 101 winning companies out of the 512 total winners. Elite awards will also be presented to the highest winning companies that demonstrated exceptional innovative human resource practices and set high standards for all businesses during this year's National Best and Brightest Summit. The elite categories include: Compensation, Benefits and Employee Solutions; Employee Enrichment, Engagement and Retention; Employee Education and Development; Recruitment, Selection and Orientation; Employee Achievement and Recognition; Communication and Shared Vision; Diversity and Inclusion; Work-Life Balance; Community Initiatives; Strategic Company Performance, and the Best of the Best: Small Business, Medium Business, and Large Business.

With over 20 years of experience conducting the Best and Brightest competitions, the National Association for Business Resources (NABR) have identified numerous best Human Resource practices and provided benchmarking for companies that continue to be leaders in employment standards.

“Profitability and stability is essential for businesses in today’s economic climate. Companies that recognize that their employees are the key to their success achieve staying power. Our 2018 winners create their human resource standards to ensure employee satisfaction and they set standards for every business to aspire toward,” said Jennifer Kluge, President and CEO, National Association for Business Resources. “We are proud to honor this year’s winners and can’t wait to celebrate them in September.”

The companies that have been selected to be recognized nationally as a Best and Brightest Company to Work For[®] will be featured in the January online edition of *Corp!* Magazine.
